Mechanism of internal assessment :

- Schedule of Mid Examination and assignment is given in Academic calendar which is displayed well in advance before commencement of session.
- Evaluation method comprises of internal examinations held progressively during the semester and is designed to check and report the periodic performance of the student.
- All the records and data bank of attendance in internal Examinations, Question papers, valued answer sheets/copies, summary of marks sheets, are properly maintained by the teachers for academic monitoring/academic audit.
- There is complete transparency in the internal assessment for each assessment method as described below.

Mid Examinations:

- Valuation is done by the respective subject teacher within two days through centralized valuation system. Sample Answer sheets are moderated by external moderators.
- Answer sheets are shown to all the students and answers are also discussed with the students.
