7.1.11 Additional Information

3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Extension activities at GDC Nagari are actively carried out within the neighbourhood community, fostering students' holistic development and sensitizing them to social issues over the past five years. The institution's dedication to women's empowerment is noteworthy, addressing challenges faced by rural women. Through awareness programs on women's rights and initiatives to combat discrimination, the college promotes self-reliance and reduces social barriers.

The Eco Club plays a vital role in fostering environmental consciousness. Activities such as cleanliness drives, green practices, and maintaining a healthy campus underscore the college's commitment to sustainable living and environmental stewardship.

The Consumer Club educates students on their rights and responsibilities as consumers, focusing on product standards, quality assurance, and consumer laws, creating informed and vigilant citizens.

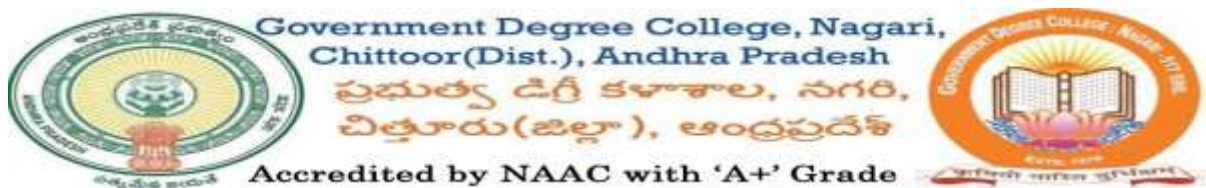

The Grievance & Redressal Cell ensures a conducive learning environment by promptly addressing student concerns through suggestion boxes and interactive discussions, fostering a sense of accountability and care.

The NSS unit cultivates social responsibility, teamwork, and community service among students. Through annual Special Camps, students engage in various community service initiatives that leave a lasting impact.

The Youth Red Cross Society/Red Ribbon Club, established in 2010, organizes rallies and awareness programs on HIV/AIDS, focusing on public health and promoting human values. These activities encourage inclusivity and compassion.

For the academic year 2023–24, GDC Nagari continues to prioritize meaningful extension activities, ensuring that students grow as socially conscious individuals who contribute positively to their communities.
