

**GOVERNMENT DEGREE COLLEGE
NAGARI**
(Accredited by NAAC with A+ Grade (2023-2028))

Criteria-6
6.5.1 (Additional Information)
2023-24

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The IQAC at Government Degree College, Nagari is committed to ensuring quality assurance by offering need-based and value-oriented education accessible to all economic backgrounds. The following initiatives were implemented during the 2023-24 academic year:

- Continuous and Comprehensive Evaluation of students.
- Integration of ICT in Teaching and Learning.
- Professional development programs for staff through Faculty Development Programs (FDP) and training sessions.
- Emphasis on employability skills across all programs.
- Community-based social outreach initiatives.

The IQAC, in collaboration with the Principal, Department Heads, and the Research Committee, plans and organizes various seminars, conferences, and workshops at international, national, and state levels. This has greatly contributed to promoting research within the college. The infrastructure for ICT has also been strengthened to support effective teaching and learning.

The IQAC believes that enhancing the quality of students' experiences at the college is crucial to improving their employability. As a result, the aspect of employability has been integrated into all academic programs. Additionally, the college has introduced job-oriented, need-based, and value-based certificate programs. The *Jawahar Knowledge Centre* (JKC) facilitates pre-placement training, career guidance, and soft skills development, with active participation from alumni. These efforts collectively contribute to improving the employability of students.

REPORT

IQAC of the Government Degree College, Nagari, organized a week long workshop series from September 20 to September 25, 2023, focusing on various aspects of higher education governance, quality assurance, capacity building, accreditation processes, and research and innovation. The workshop sessions were conducted by eminent personalities in the field of education.

Day 1: Wednesday, September 20, 2023

Session 1: Leadership and Governance in Higher Education Speaker: Dr. R. Venugopal, Principal, GDC, Nagari

Dr. R. Venugopal, an accomplished figure in higher education administration, provided an insightful session on effective leadership and governance in higher

education institutions. He emphasized the importance of visionary leadership in achieving academic excellence.

Dr.R.Venugopal, Principal, enlightening staff

Day 2: Thursday, September 21, 2023

***Session 2: Fundamentals of Quality Assurance* Speaker: Dr. M. Revathi, In-charge, Dept. of English, GDC, Nagari**

Dr. M. Revathi, a distinguished faculty member, delved into the fundamental principles of quality assurance in higher education. She highlighted the significance of maintaining academic standards and ensuring continuous improvement.

Dr.M.Revathi,Faculty,English, sharing her knowledge with staff

Day 3: Friday, September 22, 2023

***Session 3: Understanding the Importance of Capacity Building in Higher Education Institutions* Speaker: Dr. A. Indira Priyadarsini, IQAC Coordinator, GDC, Nagari**

Dr. A. Indira Priyadarsini, a seasoned expert in quality enhancement, led a session on the critical role of capacity building in higher education. She emphasized the need for faculty development and institutional strengthening.

Dr.A.Indira Priyadarsini, sharing knowledge
Day 4: Saturday, September 23, 2023

***Session 4: Navigating Accreditation Processes and Criteria* Speaker: Dr. A. Indira Priyadarsini, IQAC Coordinator, GDC, Nagari**

Continuing her valuable contributions, Dr. A. Indira Priyadarsini provided a comprehensive understanding of accreditation processes and criteria. She offered practical insights on how institutions can meet and exceed accreditation standards.

Dr.R.Venugopal , clarifying doubts of staff

GOVERNMENT DEGREE COLLEGE NAGARI

Dr.A.Indira Priyadarsini, discussing about NAAC Metrics with staff

Day 5: Monday, September 25, 2023

Session 5: Research and Innovation in Education Speaker: Dr. P. Venugopal, Autonomous Coordinator, GDC, Nagari

Dr. P. Venugopal, an esteemed authority on research and innovation, concluded the workshop series with a stimulating session on fostering a culture of research in higher education.

Dr.P.Venugopal ,Autonomous Coordinator, engaging the session

The workshop series provided a unique platform for participants to gain valuable insights from distinguished experts in the field of higher education. The sessions were marked by engaging discussions, interactive learning, and a collaborative spirit among the participants.

About the Programme:

1. Name of the Activity	Capacity Building Programme
2. Name of the Lecturer/Department/Wing Organizing	Dept. of Computer Science
3. Date	12-02-2024 to 16-02-2024
4. Name of the Guest & Designation involved in the Activity	Dr. R. Venugopal, Principal, Govt. Degree College,, Nagari
5. Number of students participated	25
6. Number of faculty involved	Smt. K. Uma Maheswari & Smt T. Jhansi Rani
7. Aim & Objectives:	
<ol style="list-style-type: none">1. Enhanced Productivity: Google Workspace aims to streamline workflows and boost productivity by providing a suite of integrated applications that facilitate various tasks such as document creation, communication, scheduling, and data management.2. Seamless Collaboration: One of the primary objectives of Google Workspace is to enable seamless collaboration among users. Tools like Google Docs, Sheets, and Slides allow multiple users to work on the same document simultaneously, making it easy for teams to collaborate in real-time regardless of their physical location.3. Efficient Communication: Google Workspace offers communication tools such as Gmail, Google Meet, and Google Chat, which aim to facilitate efficient communication within teams and with external parties. These tools support email communication, video conferencing, instant messaging, and more.4. Flexibility and Accessibility: Google Workspace is designed to be flexible and accessible from any device with an internet connection. This allows users to access their documents, emails, calendars, and other data from anywhere, enabling remote work and collaboration.5. Security and Data Protection: Ensuring the security and protection of user data is a crucial objective of Google Workspace. Google employs various security measures such as data encryption, multi-factor authentication, and regular security updates to safeguard user information.6. Innovation and Integration: Google continuously innovates and updates its suite of applications to incorporate new features and improve user experience. Integration with other Google services and third-party applications also enhances the functionality and utility of Google Workspace.	
<p>Overall, the aims and objectives of Google Workspace revolve around empowering users with tools that enhance productivity, facilitate effective communication while ensuring security and accessibility.</p>	

Syllabus:

S.No	Date	Topic	Faculty
1	12-02-2024	Brief Introduction to MS Office Tools(Word, Excel and Access)	1.Smt. K. Uma Maheswari 2. Smt T. Jhansi Rani
2	13-02-2024	Google Docs Vs MS-Word	
3	14-02-2024	Google Sheets Vs MS-Excel	
4	15-02-2024	Google Slides Vs MS-Power point	
5	16-02-2024	Taking precautions while using Online apps	
Time: 4.00 -5.00 pm			

Brief Report

The Department of Computer Science conducted **Five-Day Capacity Building Programme on Computer Skills** to II year students. It emphasized on the importance of Computer skills and its impact on personal and professional success. This programme aimed at building the capacity of students on computer skills including presentation skills, verbal and non-verbal communication in presentation, preparing Seminars and Quizzes and collecting information etc.

Day-1: The session was highlighted on Office Automation tools and it's importance in delivering information in required format, inserting multimedia objects for suitable content. Students gained insights of using the tools of office (Tables and Presentations).

Day-2: The session was focused on Google Docs and it's uses to prepare the online documents. Students were enlightened on the importance of using Google docs in online mode. They were also known the differences of MS-Word and Google Docs and the situations of using Google docs instead of using word.

Day-3: The session was focused on using Google sheets and knowing it's importance. Google Sheets, a part of the Google Workspace suite, offers a powerful platform for data management, analysis, and collaboration. It was also explored the features and advantages of Google Sheets, showcasing its utility across various industries and use cases and also using Charts, formulas and so on.

Day-4. The session was focused on using Google slides and also explained the differences between the Google slides and Powerpoint. It also focused on preparing slides and attaching the slides to Google form in preparing Quizzes.

Day-5: The session was focused on maintaining Security while using Google Apps. Creating passwords for protecting data and how to handle the problems whenever we loss data. In this session Principal sir addressed the students to maintain security measures while using Internet applications.

N This 5-day capacity Building Programme helped students to build their Computer skills to equip them with good job opportunity skills and presentation skills. Students' feedback reflected that they left with valuable insights, increased confidence and a practical skill set to navigate interviews successfully in their future career.

Brief Report

The Department of Computer Applications organized a one-week Capacity Building Programme on Information and Communication Technology (ICT) for first-year students. The program aimed to enhance students' understanding of ICT fundamentals, cyber security threats, web and social media usage, and emerging trends in ICT. The inauguration ceremony featured an inspirational address by Dr. R. Venugopal, the Principal, emphasizing the pivotal role of ICT in personal and professional success. Dr. A. Sri Lakshmi and T. Jhansi Rani provided an overview of the program's objectives and topics.

Day 1: Foundational Understanding of ICT

Participants embarked on their ICT journey by delving into the foundational aspects of the subject. They gained insights into the evolution, significance, and basic components of ICT, setting the stage for deeper exploration in the days ahead.

Day 2: Digital Literacy

Hands-on workshops facilitated participants' development of practical skills in digital literacy. They engaged with productivity tools, web applications, and social media platforms, honing their abilities to effectively utilize these tools for personal and professional purposes.

Day 3: Web and Social Media Skills

Participants immersed themselves in the world of web and social media, learning strategies for effective online communication and engagement. They explored best practices for leveraging these platforms to enhance their personal and professional networks.

Day 4: Cyber security Awareness

The focus shifted to cyber security, with participants being educated about common threats and preventive measures. They gained an understanding of the importance of maintaining cyber security hygiene and fostering a culture of awareness and vigilance.

Day 5: Exploration of Emerging Technologies

The final day of the program delved into the exciting realm of emerging technologies. Participants explored cutting-edge innovations such as artificial intelligence and blockchain, discussing their potential implications for businesses and society.

The one-week Capacity Building Programme on ICT provided participants with a holistic understanding of the subject and equipped them with practical skills and knowledge essential for success in the digital age. Through a blend of theoretical insights, hands-on activities, and interactive discussions, participants emerged empowered and prepared to navigate the dynamic landscape of Information and Communication Technology. Students' feedback reflected that they left with valuable insights, increased confidence and a practical skill set to explore and utilize Information and Communication Technology in both their professional and personal life.

Syllabus:

S.No	Date	Topic	Faculty
1	14-08-2023	Fundamentals of ICT	1. Dr. A. Sri Lakshmi Lecturer in Computer Applications 2. T. Jhansi Rani Guest Lecturer in Computer Applications
2	16-08-2023	Digital Literacy	
3	17-08-2023	Web and Social media skills	
4	18-08-2023	Cyber Security	
5	19-08-2023	Emerging trends in ICT	

Time: 3.00 PM to 4.00 PM

About the Programme:

5. Number of students participated	36
6. Number of faculty involved	Dr. A. Sri Lakshmi and T. Jhansi Rani
7. Aim & Objectives:	
<p>The aim of this one week capacity building program is to equip first year students with essential knowledge, skills, and competencies in Information and Communication Technology (ICT), enabling them to understand, utilize, and leverage ICT tools effectively.</p> <p>Objectives:</p> <ul style="list-style-type: none">✓ Introduce students to the foundational concepts, principles, and components of ICT.✓ Develop students' digital literacy skills and familiarity with productivity tools for efficient information processing and management.✓ Equip students with web and social media skills necessary for effective online communication and engagement in business contexts.✓ Raise awareness among students about cyber security threats and best practices for protecting digital assets in personal and business contexts.✓ Familiarize students with emerging technologies in ICT and their potential impact on businesses and society.	

Feed back by Students :

The first building program helped me to develop my Computer skills through task based activities and exercises.

I learn valuable information through the program.

M. M. Narmadha
II BSc (HSCS)

This program helped me to give presentation using google apps like google sheets, google docs, google slides. I learn lot of information on google apps.

B. V. Saranya
II BSc (HSCS)

I gained knowledge on presentation skills on google apps and also learned difference between the google sheets and XL-sheets, powerpoint slides and google slides. This program was very useful.

R. Mahalakshmi
II B.Sc (MPCs)

This is very useful program for us. While using google apps to communicate with others and also to get inform required persons in an easy way.

J. T. Anudha
II B.Sc (MPCs)

I am very happy to attend the capacity building program. I learnt so many computer skills and learnt usage of Google Docs, sheets etc. Thank you very much.

HYDROPONICS

Syllabus

DURATION: 30 DAYS

TOTAL PERIODS: 30 hrs

Day 1-3: Unit 1 - Introduction to Hydroponics

- Definition and history of hydroponics
- Types of hydroponic systems (Nutrient Film Technique, Deep Water Culture, etc.)
- Advantages and disadvantages of hydroponics
- Basic equipment and materials required

Day 4-6: Unit 2 - Nutrient Management in Hydroponics

- Essential nutrients for plant growth
- Nutrient solutions and their formulation
- Monitoring and adjusting nutrient levels
- pH and EC levels in hydroponic systems

Day 7-10: Unit 3 - Plant Physiology in Hydroponics

- Photosynthesis and its role in hydroponics
- Transpiration and nutrient uptake in hydroponics
- Growth stages and requirements of plants in hydroponic systems
- Environmental factors affecting plant growth

Day 11-16: Unit 4 - Pest and Disease Management in Hydroponics

- Common pests and diseases in hydroponics
- Integrated Pest Management (IPM) strategies
- Disease prevention and control measures
- Pest and disease management practices specific to hydroponics

Day 17-30: Unit 5 - Business and Marketing Strategies in Hydroponics

- Market analysis for hydroponic produce

- Business models for hydroponic farming
- Marketing and branding strategies for hydroponic products
- Financial planning and budgeting for a hydroponic venture

Learning Outcomes

At the end of the course, the student will have knowledge of

- Understand the concept and history of hydroponics.
- Identify different types of hydroponic systems and their applications.
- List the advantages and disadvantages of hydroponics.
- Familiarize with the basic equipment and materials needed for hydroponic cultivation.
- Recognize the essential nutrients required for plant growth in hydroponics.
- Formulate appropriate nutrient solutions for different plant types.
- Monitor and adjust nutrient levels to optimize plant growth.
- Understand the importance of maintaining proper pH and EC levels in hydroponic systems.
- Comprehend the role of photosynthesis in hydroponic plant growth.
- Understand transpiration and nutrient uptake processes in hydroponics.

CERTIFICATE COURSE IN HYDROPONICS

Department of Botany organized certificate course on Hydroponics from **04-10-2023 to 20-11-2024** in Govt. Degree College, Nagari.

The duration of course is 30 days and the total numbers of periods are 30. The syllabus is divided into seven units. Both theory and practicals were taught and demonstrated by the lecturers of Dept. of Botany. A total of 35 students of English medium of III BZC were enrolled.

Introduction: The Certificate Course in Hydroponics was conducted over a period of 30 days, aiming to provide participants with comprehensive knowledge and practical skills in hydroponic farming. The course covered various aspects of hydroponics, including its principles, nutrient management, plant physiology, pest and disease management, and business strategies.

Participant Feedback: Participants expressed high satisfaction with the course content and delivery. They particularly appreciated the hands-on experience and field visits, which provided valuable insights into real-world hydroponic farming. The practical sessions on nutrient formulation and system setup were highlighted as particularly beneficial.

Achieved Outcomes: Upon completion of the course, participants demonstrated the following outcomes:

- A thorough understanding of hydroponic principles, systems, and techniques.
- Proficiency in nutrient management and maintaining optimal nutrient levels.
- Knowledge of plant physiology and its application in hydroponic farming.
- Competence in identifying and managing pests and diseases in hydroponics.
- Familiarity with business and marketing strategies specific to hydroponic ventures.

Conclusion: The Certificate Course in Hydroponics successfully equipped participants with the knowledge and skills necessary to engage in hydroponic farming. The combination of theoretical knowledge, hands-on experience, and field visits ensured a well-rounded learning experience. The course has prepared participants to pursue hydroponic farming ventures with confidence and competence.

Recommendations: Based on the success of this course, it is recommended to continue offering similar programs and potentially expand to include advanced levels or specialized topics in hydroponics. Additionally, incorporating practical projects or internships could further enhance participants' experiential learning.

Principal Dr.R.Venugopal inaugurating Hydroponics unit along with faculty and students

Dr. R.Venugopal delivering inaugural speech

Dr.M.Bhaskar Raju sharing his opinions on Hydroponics

Dr. A.indira Priyadarsini explaining about the course

ASSESSMENT QUESTIONS

1. Basic Principles of Hydroponics:
 - Explain the fundamental principles of hydroponics and how they differ from traditional soil-based cultivation.
2. Nutrient Solutions:
 - Describe the key components of a nutrient solution in hydroponics. How do these components contribute to plant growth?
3. pH and EC Management:
 - Why is it essential to monitor and control pH and electrical conductivity (EC) in hydroponic systems? How do these factors affect plant health?
4. Hydroponic Systems:
 - Compare and contrast different types of hydroponic systems (e.g., NFT, DWC, Drip systems). What are the advantages and disadvantages of each?
5. Plant Nutrition:
 - Discuss the role of essential nutrients in plant growth. How does hydroponics ensure optimal nutrient availability compared to soil-based cultivation?
6. Disease and Pest Management in Hydroponics:
 - Outline strategies for preventing and managing diseases and pests in hydroponic systems. How does hydroponics impact the susceptibility of plants to pests and diseases?
7. Environmental Control:
 - Explain the importance of environmental factors such as temperature, humidity, and light in hydroponic cultivation. How can these factors be controlled for optimal plant growth?
8. Substrates in Hydroponics:
 - Discuss different types of substrates used in hydroponics. How does the choice of substrate impact plant growth and nutrient absorption?
9. Seedling Propagation in Hydroponics:
 - Describe the process of seedling propagation in hydroponics. What are the critical factors to consider for successful seedling establishment?
10. Troubleshooting:

- List common issues that hydroponic growers may face and provide solutions for troubleshooting these problems.

11. Economic and Environmental Considerations:

- Analyze the economic and environmental benefits of hydroponics compared to traditional soil-based agriculture. What are the potential challenges and limitations?

12. Regulatory Compliance:

- Discuss any regulatory considerations or guidelines that hydroponic growers need to be aware of in your region.

Feedback from students

1. Overall Satisfaction:

- "I thoroughly enjoyed the hydroponics certificate course! It exceeded my expectations, and I feel confident in my understanding of hydroponic principles." - *A M CHARULATHA*

2. Course Content:

- "The course content was comprehensive and well-organized. I particularly appreciated the modules on nutrient solutions and different hydroponic systems." -- *C SNEHA*

3. Instructor Effectiveness:

- "The instructor was knowledgeable and engaging. They used real-world examples that made complex concepts easy to understand. I appreciated their enthusiasm for the subject." --- *G. NANDHINI*

4. Practical Application:

- "The hands-on projects were a highlight. Applying hydroponic principles in practical settings made the learning experience more valuable. I feel prepared to implement these techniques.

-- *J. VIJAYALAKSHMI*

5. Interaction and Engagement:

- "The course encouraged active participation. Group discussions and Q&A sessions were beneficial in reinforcing key concepts. It was a dynamic learning environment." -- *K.G. THULASI*

6. Support and Resources:

- "Access to course materials and resources was excellent. The textbook, online materials and additional resources provided a well-rounded learning experience." -- *K SASIKALA*

7. Assessment and Feedback:

- "The assessments were fair and relevant. Timely feedback from the instructor helped me understand areas where I needed improvement. It was a constructive learning process."—*M.D. RAJ PRISCILLA JASMIN*
8. Networking Opportunities:
- "I appreciated the networking opportunities, especially the guest lecturers from industry professionals. It added a valuable perspective to the course."-- *M YASMIN*
9. Challenges Faced:
- "I faced some challenges with the complexity of nutrient solutions, but the instructor addressed my concerns during office hours. Overall, challenges were resolved effectively."-- *V SARAVANA*
10. Suggestions for Improvement:
- "Adding more field trips to commercial hydroponic facilities would enhance the practical learning experience. Otherwise, the course was excellent!"--- *MEKALA SATHISH*
11. Future Application:
- "I feel well-prepared to apply hydroponic techniques in real-world scenarios. The course equipped me with the knowledge and skills needed for future projects."-- *A P MOORTHY*
12. Likelihood to Recommend:
- "I would highly recommend this hydroponics certificate course to others. It's a valuable investment for anyone interested in hydroponic cultivation." -- *G RAJESWARI*

Action taken on this feedback

1. Overall Satisfaction:

- Action: Acknowledge the positive feedback and continue to maintain the high standard of the course. Consider conducting periodic satisfaction surveys to ensure ongoing improvement.

2. Course Content:

- Action: Review the course content and identify areas for improvement or expansion based on student feedback. Consider updating materials to include the latest developments in hydroponics.

3. Instructor Effectiveness:

- Action: Continue to provide engaging and knowledgeable instructors. Offer professional development opportunities for instructors to stay updated on emerging trends in hydroponics.

4. Practical Application:

- Action: Explore additional hands-on projects or case studies to further enhance practical application. Consider partnerships with local hydroponic farms for immersive learning experiences.

5. Interaction and Engagement:

- Action: Continue promoting interactive learning environments. Explore additional ways to encourage student participation, such as online forums or peer-led discussions.

6. Support and Resources:

- Action: Assess the availability and accessibility of course materials regularly. Update and expand resources as needed. Consider creating a resource hub for continuous access to relevant materials.

7. Assessment and Feedback:

- Action: Review the assessment methods and feedback process. Ensure clarity in expectations and consider incorporating more formative assessments to provide ongoing feedback.

8. Networking Opportunities:

- Action: Explore more opportunities for students to connect with industry professionals. Consider organizing networking events, webinars, or virtual industry tours.

9. Challenges Faced:

- Action: Address specific challenges mentioned by students. Offer additional support, clarification, or resources to help students overcome difficulties in understanding complex topics.

10. Suggestions for Improvement:

- Action: Consider the suggested improvements, such as adding field trips. Evaluate the feasibility of incorporating suggested changes into future iterations of the course.

11. Future Application:

- Action: Continue to emphasize the practical application of hydroponic techniques. Explore partnerships with companies for internship opportunities or projects that allow students to apply their knowledge in real-world settings.

12. Likelihood to Recommend:

- Action: Acknowledge the positive recommendation and encourage students to share their positive experiences with others. Consider implementing a referral program or testimonials on the course website.

By taking these actions, the course organizers can ensure continuous improvement, address specific concerns, and provide an even more enriching experience for future students in the hydroponics certificate course.

Certificate distribution to students

Certificate

GOVERNMENT DEGREE COLLEGE
NAGARI, CHITTOOR (DIST.)
Accredited by NAAC with A+Grade
DEPARTMENT OF BOTANY

CERTIFICATE COURSE IN HYDROPONICS

CERTIFICATE

This is to certify that Ms. **A. M. Charulatha** of class III BZC has completed one month certificate course in "**HYDROPONICS**" conducted by Department of Botany during the academic year 2022-23 from 4th October 2023 to November 20th 2023.

In-charge

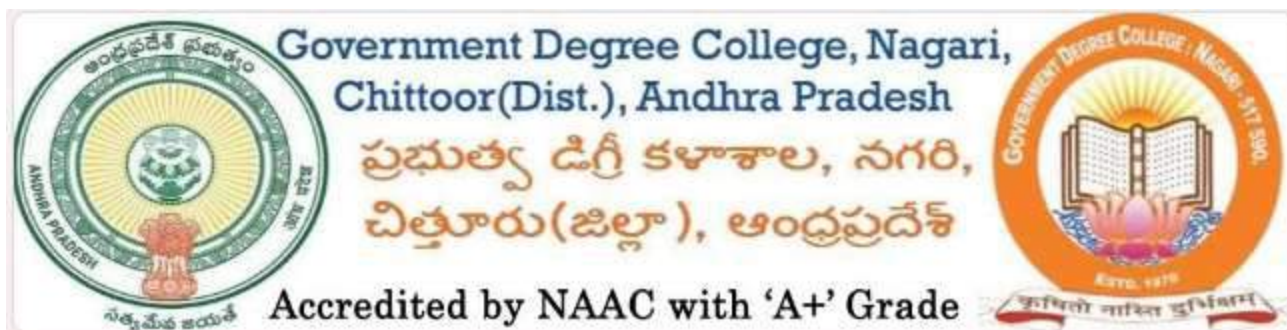

Principal

Attendance of students

Report on Cyber Smart Certification

Following the directives from the Commissioner of Collegiate Education AP, Dr. A. Sri Lakshmi, Department of Computer Applications and has conducted Cyber Smart certification program with the partnership of Launchpad LLC on **26-10-2023** and **27-10-2023**. All the faculty members participated in the training and got certified as “Cyber Smart Teacher”. Almost all the students participated in this certification program and got Cyber Smart certified. In this training the students have learnt about:

1. **Securing their Devices** : How to safeguard their personal devices through effective use of locks and passwords, ensuring their digital privacy and data protection.
2. **Protecting social media accounts** : Strategies to shield their social media accounts from potential intruders, emphasizing the importance of maintain online privacy.
3. **Cyber bullying awareness** : Students gained an understanding of cyber bullying, recognising the signs and learning the steps to take when confronted with such situations, including seeking help and reporting the issues.
4. **Safe Online Practices** : Students understood the dangers of using public Wi-Fi networks and clicking on unknown links.
5. **Personal Information Security** : How to guard against unknown individuals who may attempt to solicit personal information.

Dr. R. Venugopal, our esteemed Principal shared words of wisdom with our students. He emphasized that, in this era of rapid technological advancements, it is

imperative for everyone to be well versed in various aspects of cyber crime prevention. He also said that being cyber smart is not just a choice, but a necessity to evade the clutches of cyber criminals who prey on unprepared.

Career Guidance and Counseling Cell

Brief Report on

Awareness Programme on “Software Courses - Job Opportunities”

Career Guidance & Counseling Cell and JKC organized a programme on “**Software Courses - Job Opportunities**” for the final year students of BCom (CA) and BSc (Computer Sciences) on 09th November 2023.

Principal and the President of the program **Dr. R. Venugopal** in his address stated that there is no job sector without computers. With the increasing demand in the software field, learning software courses enhances employability and opens doors to dynamic careers in the ever evolving Tech Industry.

The invited Resource Person, **Mr. P. Ganesh Reddy**, a master trainer, from the **Takeoff Up-skill Institute Tirupati**, focused his talk on software Courses that offer diverse skill sets. Courses such as Programming languages (Java, Python etc), Web development, data science, etc prepare students for lucrative (well-paid) job opportunities in Software development, IT consulting and Data Analysis. He also stressed on the role of AI in Software and needed to practice and improve the skills with hands-on practice. He also expressed that Companies seek skilled individuals proficient in coding, software Engineering and database management these days. Mr. Ganesh clarified students’ doubts during interaction with students.

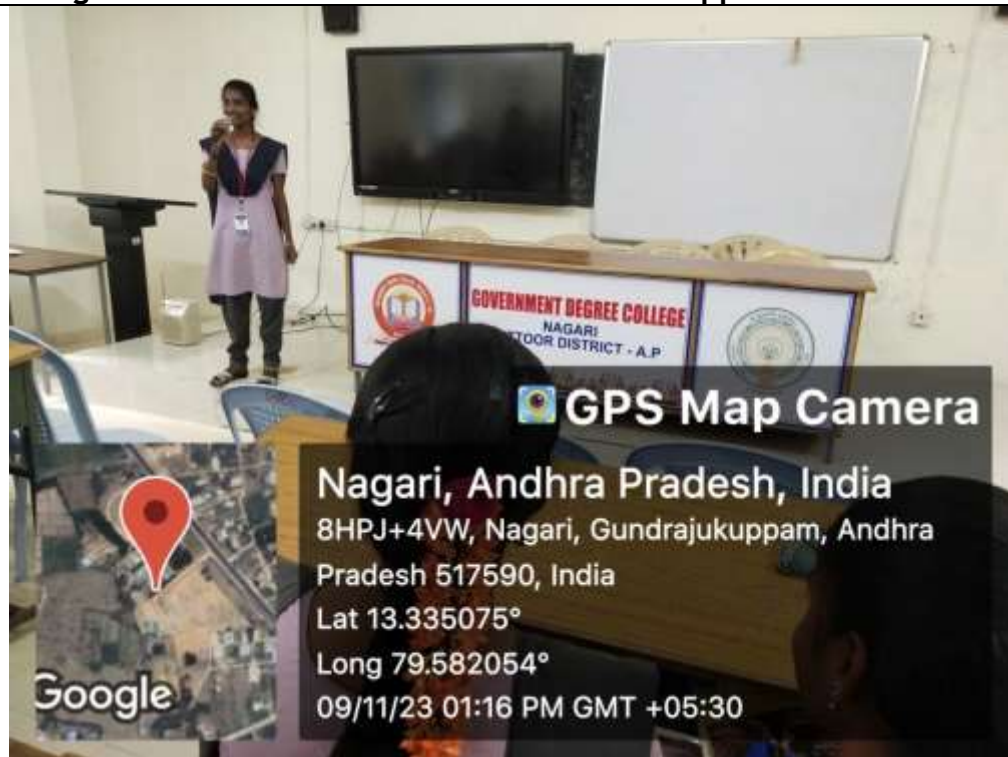

Dr. M. Revathi, C&G Cell Coordinator, Dr. M. Bhaskar Raju, Vice-principal, Dr. A. Indira Priyadarsini, IQAC Coordinator, Dr. D. Bhaskar, Dept. of Commerce, Mr. Lal Basha, JKC Full- Time Mentor and 91 students participated in the programme.

Dr. R. Venugopal is addressing the gathering

Mr. P. Ganesh Reddy, Master Trainer from Take-off Institute, Tirupati, enlightening students on Software Courses and Job Opportunities.

Kum. Pushpa Latha III BSC(MPCS) is giving feedback on the session

Mr. A. Mahesh,, III BCOM(CA) is giving his feedback on the programme.

Feedback on session on Software Courses Job Opportunity

- 1) Really it is an informative programme. He gave a valuable information on various software courses. He presented the content concisely and cleared the doubts.

- T. Pushpa

III B.Sc (MPCs)

- 2) It is helpful to choose the selective courses to get job in the software and get knowledges. It is highly beneficial for career planning.

- M.E. Hemalatha

III B.Sc (MPC)

- 3) This program is very useful Sir, expressed clearly about the software courses that have more job opportunities with high salary package.

- N. Poorna

III B.Sc (MPCs)

- 4) The career guidance program on software courses and job opportunities provides comprehensive information.

JAWAHAR KNOWLEDGE CENTRE

JOINING THE DOTS FOUNDATION

CONDUCTION OF INTERVIEWS FOR WEB DEVELOPMENT TRAINING

DETAILED REPORT

- ❖ Jawahar Knowledge Centre conducted Aptitude Test and interviews to the all current final year students through the Joining the Dots foundation on 30-11-2023.
- ❖ Before conducting the examination an awareness programme conducted with representatives of Joining The Dots Fondation. For this programme Principal & JKC Chairman Dr.R.Venugopal presided and motivating the students to attempt the interviews conducted by the Joining the Dots Foundation. In this programme Vice Principal Dr.M.Bhaskara raju, JKC Co-ordinator Dr.M.Pankaja, Incharge of English Department Dr,M,Revathi, Senior Commerce Lecturer Dr.P.Venugopal, Joining the Dots Representative Mr.Dhananjeya Rama Krishnappa and JKC Full Time Mentor Sri R.Lalbasha participated.
- ❖ Joining the Dots Foundation Representative explained in detail about the selection process for training in web development. He also said this foundation would give the training to the selected students through DevsNest Edtech company. This edtech company trained 1000s of students in full stack development. The selected students will train 12 hours a day for 12 months . Each day kicks off a meeting in small groups of 8-10 students, where they plan their daily tasks. They begin by watching tutorials on DevsNest website, aiming to clear doubts with in their group.if they cant solve together , mentors from DevsNest will hold doubt-solving session every evening.

- ❖ Joining the Dots foundation conducted aptitude test to the students. For this test 120 students attended. In this test nearly 40 students were selected. For this student they conducted interviews to test their communication skills. Finally, 12 students got selected for this training programme.

- ❖ Syllabus :

The Syllabus

Programming	Data Structures	Frontend Development	Backend Development
If Else conditions Loops Tuples Functions Hashing Sets Pattern problems and more	Time and Space complexity Searching and Sorting Arrays, String Recursion LinkedList Stacks Queues Tree Heaps Graph	HTML CSS JavaScript React Typescript And 3+ Projects	Github SQL Authentication Scraping NodeJS Express and 3+ projects

The Schedule

- Month 1 – Python Programming
- Month 2 – Data Structures
- Month 3-6 – Frontend Skills
- Month 7-9 – Backend Skills
- Month 10-11 – Interview Prep
- Month 12 – Interviews

Principal Dr.R.Venugopal motivating the students

Joining the Dots Foundation representative Mr.Dhananjeya Rama Krishnappa briefing about the selection process and training

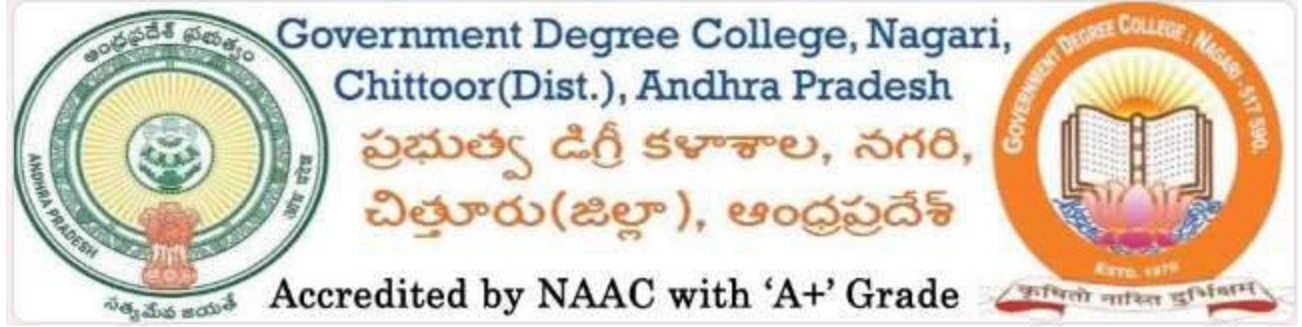

Joining the Dots Foundation Conducting aptitude Test to the students

Conducting Interviews to the selected students in aptitude test

Final selected students for one year training programme in web development with JKC team and Representative of Joining the Dots Fondation

Report on APPSC and SSC Exams Awareness Programme

Smt K. Uma Maheswari, Contract Lecturer in Computer Science, Department of Computer Science, has Conducted a career guidance program tailored for Competitive Examinations on 04-01-2024. This specialized session, focused specifically on offering insightful guidance for the forthcoming Andhra Pradesh Public Service Commission and Staff Selection Commission in 2024, for the students of III and II B.Sc(M.P.Cs and M.S.Cs) on 04-01-2024. Totally 45 students attended the session. The career guidance program, was strategically designed to empower students with the requisite knowledge and strategic insights necessary to navigate the complexities of the Andhra Pradesh Public Service Commission and Staff Selection Commission Exam. This program was aimed to equip the students with a deeper understanding of the examination structure, content, and effective preparation strategies. This initiative not only shows the commitment of the Department of Computer Science to academic excellence but also underscores the institution's dedication to providing invaluable resources for the holistic development and career advancement of its students. The guidance provided during this program is anticipated to serve as a channel for the participants success in the APPSC and SSC Exams, thereby contributing to their overall career path.

Hands on Training

AWARENESS PROGRAMME ON “SOFTWARE COURSES – JOB OPPORTUNITIES” on 09.11.2023

- Jawahar Knowledge Centre (JKC) and Career Guidance & Counseling Cell organized a programme on **“Software Courses – Job Opportunities”** for the final year students of B.Com (CA) and BSc (Computer Sciences) on 09th November 2023.
- Principal and the President of the program **Dr. R. Venugopal** in his address stated that there is no job sector without computers. With the increasing demand in the software field, learning software courses enhances employability and opens doors to dynamic careers in the ever-evolving Tech Industry.
- The invited Resource Person, **Mr. P. Ganesh Reddy, a master trainer, from the Takeoff Up-skill Institute Tirupati**, focused his talk on software Courses that offer diverse skill sets. Courses such as Programming languages (Java, Python etc), Web development, data science, etc prepare students for lucrative (well-paid) job opportunities in Software development, IT consulting and Data Analysis. He also stressed on the role of AI in Software and needed to practice and improve the skills with hands-on practice. He also expressed that Companies seek skilled individuals proficient in coding, software Engineering and database management these days. Mr. Ganesh clarified students’ doubts during interaction with students.

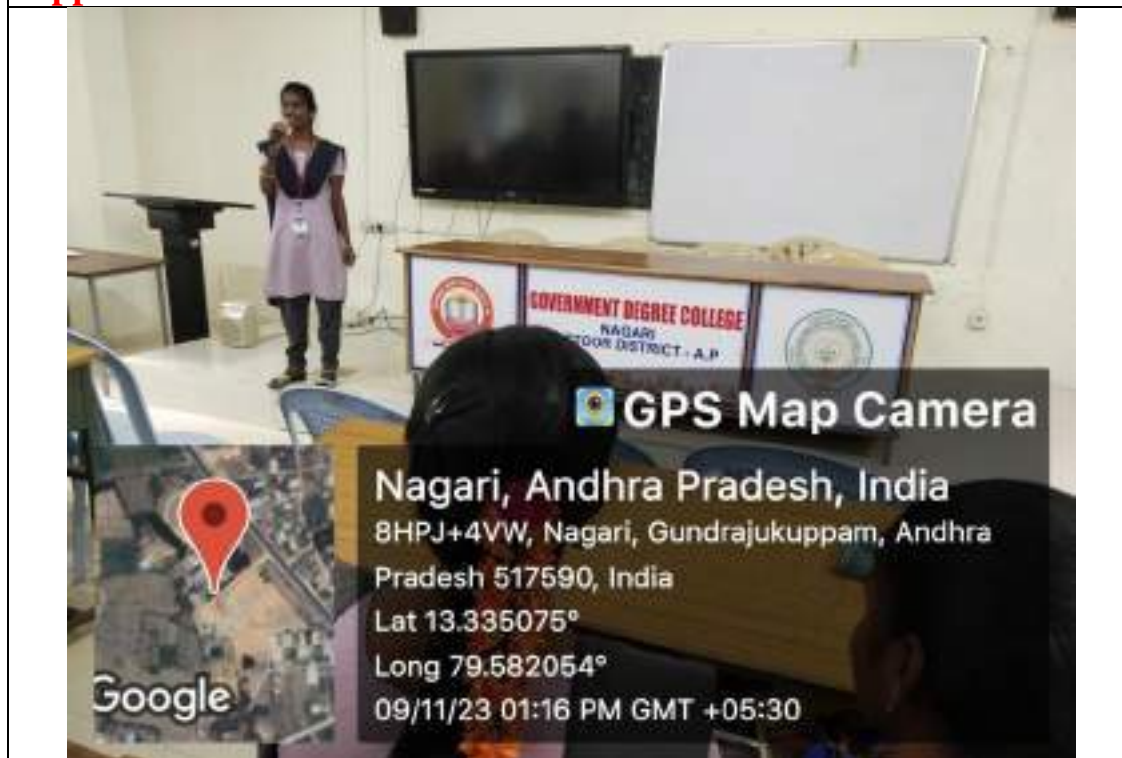

- Dr. M. Revathi, C&G Cell Coordinator, Dr. M. Bhaskar Raju, Vice-principal, Dr. A. Indira Priyadarsini, IQAC Coordinator, Dr. D. Bhaskar, Dept. of Commerce, Mr. R.Lal Basha, JKC Full- Time Mentor and 91 students participated in the programme

Dr. R. Venugopal is addressing the gathering

Mr. P. Ganesh Reddy, Master Trainer from Take-off Institute, Tirupati, enlightening students on Software Courses and Job Opportunities.

Kum. Pushpa Latha III BSC(MPCS) is giving feedback on the session

Mr. A. Mahesh,, III BCOM(CA) is giving his feedback on the programme.

CONDUCTION OF INTERVIEWS FOR WEB DEVELOPMENT TRAINING BY JOINING THE DOTS FOUNDATION ON 30.11.2023 :

- ❖ Jawahar Knowledge Centre conducted Aptitude Test and interviews to the all current final year students through the Joining the Dots foundation on 30-11-2023.
- ❖ Before conducting the examination an awareness programme conducted with representatives of Joining The Dots Fondation. For this programme Principal & JKC Chairman Dr.R.Venugopal presided and motivating the students to attempt the

interviews conducted by the Joining the Dots Foundation. In this programme Vice Principal Dr.M.Bhaskararaju, JKC Co-ordinator Dr.M.Pankaja, Incharge of English Department Dr,M,Revathi, Senior Commerce Lecturer Dr.P.Venugopal, Joining the Dots Representative Mr.Dhananjeya Rama Krishnappa and JKC Full Time Mentor Sri R.Lalbasha participated.

- ❖ Joining the Dots Foundation Representative explained in detail about the selection process for training in web development. He also said this foundation would give the training to the selected students through DevsNest Edtech company. This edtech company trained 1000s of students in full stack development. The selected students will train 12 hours a day for 12 months . Each day kicks off a meeting in small groups of 8-10 students, where they plan their daily tasks. They begin by watching tutorials on DevsNest website, aiming to clear doubts with in their group.if they cant solve together , mentors from DevsNest will hold doubt-solving session every evening.
- ❖ Joining the Dots foundation conducted aptitude test to the students. For this test 120 students attended. In this test nearly 40 students were selected. For this student they conducted interviews to test their communication skills. Finally, 12 students got selected for this training programme.

Syllabus :

The Syllabus

Programming	Data Structures	Frontend Development	Backend Development
If Else conditions Loops Tuples Functions Hashing Sets Pattern problems and more	Time and Space complexity Searching and Sorting Arrays, String Recursion LinkedList Stacks Queues Tree Heaps Graph	HTML CSS JavaScript React TypeScript And > Projects	GitHub SQL Authentication Scraping NodeJS Express and > projects

The Schedule

 Month 1 – Python Programming

 Month 2 – Data Structures

 Month 3-6 – Frontend Skills

 Month 7-9 – Backend Skills

 Month 10-11 – Interview Prep

 Month 12 - Interviews

Principal Dr.R.Venugopal motivating the students

Joining the Dots Foundation representative Mr.Dhananjeya Rama Krishnappa briefing about the selection process and training

Jonng the Dots Foundation Conducting aptitude Test to the students

Conducting Interviews to the selected students in aptitude test

Final selected students for one year training programme in web development with JKC team and Representative of Joining the Dots Foundation

4. Nodal Mega Job drive conducted on 29.02.2024:

- The Mega Job Drive organized by the Jawahar Knowledge Centre of GDC, Nagari in collaboration with AP Skill Development Corporation at Nodal Resource Centre, Govt. Degree College, Nagari on 29th February 2024 witnessed a significant turnout with 19 prominent companies' participation received a huge response. In this **Mega Job Fest** 326 students got placed out of **447** participants from the six Government Degree Colleges under NRC, Nagari such as GDC Nagari, Karvetinagaram, Puttur, Srikalahasti Men and Women and Satyavedu.
- During the Inaugural Address, Dr. R. Venugopal, Principal, Nodal Resource Centre, Govt. Degree College Nagari projected the **Commissioner of Collegiate Education, Dr.Pola Bhaskara's** ideology of providing employment opportunities to the students of Govt. Degree College in the State. As a part of it, this event aimed to provide employment opportunities to the Passed-out and final year pursuing students of the Government Degree Colleges.
- With a wide range of industries from the sectors like IT & Non IT, Banking Service Sector, Sales, BPO, Manufacturing, Auto Mobile, Medical, Finance, Insurance etc., represented from Andhra Pradesh, Karnataka and Tamil Nadu. Representatives from each participating company provided insights into their respective organizations, job roles, and growth opportunities to the Job seekers. Candidates had the opportunity to interact directly with recruiters, facilitating networking and potential job placements.
- The job drive offered diverse career options like Associate agency Development Manager, Area Manager, Telecaller, BPO-Voice Process, Retail Executive, Pharmacy Trainee, Tele Marketing Executive, Tech Support, Field Sales Executive etc to the participants. The salary range offered by the companies varied from 16,000 to 40,000 per month, depending on the role, experience, and qualifications of the candidates. This diverse range ensured that there were opportunities available for candidates with varying levels of expertise.
- The Mega Job Drive proved to be a fruitful endeavor, connecting job seekers with reputable companies and promotion of employment opportunities within the community. The event's success underscores the importance of such initiatives

in addressing the employment needs of individuals while also supporting the growth of businesses.

- After the completion of Interview Process, during Valedictory session the NRC Principal and Principal's of other Government Degree Colleges congratulated the selected students and distributed Offer letters. Dr. R. Venugopal, Principal, NRC, GDC, Nagari, the Principals of GDCs under NRC, Nagari, Vice-Principal Dr.M.Bhaskar Raju, Dr. M. Pankaja, JKC coordinator, Mr. Chaitanya, Placement Officer, Chittoor Dt. APSSDC, Mr. Lal Basha, Mr. Kishore JKC Full-time Mentors, Faculty representatives from all the colleges coordinated the programme and made it a grand success.
