INTRODUCTION:

The Govt. of Andhra Pradesh initiated JKC in 2005 as a reliable solution to the problem of unemployment faced by students studying non-professional courses in Degree colleges of AP. The ever increasing prominence of India on the global map has paved way for a growing demand for hard working and talented students good in computer skills, communication skills and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyze logically

Jawahar Knowledge Centre's primary aim is to provide intensive training to students in employable skills and enable students avail themselves of the bright opportunities in the global job market. Remarkably, the centers are best utilized by the poorest of the poor and marginalized sections of the society. Students from rural areas who have no access to advantages experienced by their urban counterparts are provided the latest technologies and opportunities to upgrade their skills and encouraged to compete for better standards of living. The centre received

overwhelming response from day one and the encouraging placements add to its strength and objectives.

JKCs established in degree colleges provided with a world class infrastructure and experienced faculty are totally dedicated to students and totally involved in providing the best training to help the students climb the ladder of success. JKC helps students to realize their potential and aim high in life and particularly it motivates and encourages students to be creative, independent and self-reliant. JKC Centre helps students in colleges gain confidence and the ability to contribute to the economic and intellectual prosperity of the country.

THE SPECIFIC OBJECTIVES OF JKC:

- To shape students across the State and make them globally acceptable citizens.
- To promote College – Industry relations through training and placements.
