Azadi Ka Amruth Mahotsav(AKAM) celebrations
Patriotic Poems competition

- **Brief Report:** On 14.8.2022 Department of Botany and Women Empowerment cell of the college has conducted a patriotic Poems competition to all the students of the college. In this programme vice-principal Sri.B.Subramanyam, In-charge, depts. Botany & WEC, Botany Lecturer Dr.M.Aruna kumari participated. Students have actively participated and sung patriotic poems.
- **Programme outcomes: Spirit of Universality:** One of the significant outcomes of learning is to attain the understanding of the self. We understand ourselves when we express ourselves. When we choose to celebrate Independence Day— the expression of Independence arises from an ability to discern, an ability to include varied points of views, an ability to create spaces for expressions that don't necessarily emerge from a singular point.
- In recent times and age we more often see narrow interpretations of freedom emerging. At such times, the inclusive energies of children at GDC, Nagari, are a whiff of fresh air. GDC, Nagari witnessed the 'spirit of universality' in its pure form when the entire community came together to participate in competitions.
