Policy of Freeships and Endowment Prizes

With an objective to motivate and compliment the students who executed their best performance in the academics and to encourage the other students to strive for excellence, our institution is sponsoring Endowment Prizes.

The institution has the practice of encouraging the brilliant and extraordinary students by providing cash prizes. This practice is inspiring many students and they are competing to give their outstanding performance in University Examinations year after year. Since the practice was initiated, our faculty are consistently guiding the students in that direction.

We are proud to say that all the faculty are encouraging this practice by donating Rs.500/- earlier days. But now they are voluntarily contributing an amount of Rs.1000/- to give away cash prizes to the subject/group wise toppers or meritorious students.

Apart from this, a few of our faculty donated a huge amount of Rs.10,000/-for the purpose. To mention a few such contributions, it is our privilege to present that Dr. K. Padmanabha Chetty, Lecturer in English deposited an amount of Rs.10,000/- in 2014, Smt. G. Neeraja, Lecturer in English deposited Rs. 10,000/- in 2015 and Dr. R. Rajendra Naidu, Principal (Lecturer in Commerce) donated Rs.10,000/- in 2019. The same is deposited in a Savings Account and the interest is used to give away cash prizes to encourage the students who secured highest marks in the respective subjects.

Guidelines followed by the Institution:

The college constituted a committee to utilize the funds in a transparent manner. Every year the committee identifies the students and distributes the amount/prize on the annual day by following the specific guidelines.

1. The student who stands first by securing top marks in I-year, both in MID term exams and Semester Exams (Sem-I and Sem-II) will be given a meritorious prize/freeship by the faculty of English. The same is followed for II-year students also.
2. Similarly, the department of Telugu appreciates the students who stand first in I year Examinations (both MID term and University Exams) and II-year examinations with cash prizes for their meritorious performance.
3. The department of Tamil is also following the same.
4. In the core subjects, the students who secured highest marks in II year (III semester and IV semester) University examinations and MID term examinations as well will be given cash prizes/freeships.

We are proud to say that the practice of giving endowment prizes to the students has instilled a competitive spirit among the students. Moreover, the attitude of the students has changed and they have become more studious.
