Feedback Analysis of Stakeholders 2018-19

On-line Feedback System to collect feedback on curriculum from the stakeholders like Students, Teachers, Employers, Alumni and Parents is being done in the institution.

 **Student feedback** The College conducts online feedback at the end of the academic year. The students give feedback on curriculum taught to them in that year. The general assessment of the feedback on different aspects like curricular, academic enrichment, teacher performance on their teaching performance, student support on giving grades with multiple answers very good, good, Average, To be improved.

 **Teacher's feedback** on their views about the curriculum provided by the affiliated University and in turn presenting their suggestions on the curriculum to the parent university.

 **Alumni Feedback:** Evaluation is being done on the Feedback from Alumni on the subject knowledge of the program, level of meeting expectation, progress of Alumni in career after graduation, impact of training, motivation at Institute, training on employability skills.

 **Employers' feedback** highlights evaluation parameters in the form of subject knowledge, attitude, Behaviour, Regularity, Punctuality, Maturity, Motivation, Creativity, Presentation Skills and ability to get along with others. The analysis of this feedback helps institute in reframing the course content and various skill development training. It also helps in determining overall employability of our students at various levels.

 **Parents' feedback** is also being done based on overall development of their ward and about learning environment in the college as well as imparting value based education to facilitate the Institute immensely reorienting the administrative, accommodation, general ambience, the skill development, suitability of the courses for career growth of the ward, the skill development of ward etc.

Analysis and action taken for the year 2018-2019

On Student feedback:

As per the feedback collected from the students on the aspects like curriculum, academic environment and student support, more than 80% of the students have given response as very good and good on the four point scale on the curriculum, academic environment and student support. Some of the students has expressed that some additional courses (like as journalism, advance languages, job oriented technical courses) to be taught apart from the regular courses in their curriculum.

In this regard we have decided to start some additional certificate courses on job oriented skills and planning to conduct certificate courses on the journalism, advance languages etc., in the future.

On Teacher feedback:

As per the feedback collected from the teachers on curriculum, such as course structure, syllabus, relevance and applicability. Most of the teachers have given a positive response. Teachers has expressed that though the textbooks are very much relevant to the syllabus, some of the books are very costly in terms of the students hailing from rural and economically backward, in this connection they also expressed that better to prescribe text books with less cost. In this regard, same has been submitted to the concerned BOS.

On Parent feedback:

As per the feedback collected from the parents on curriculum, more than 80% of the parents are very much satisfied with the curriculum taught by the college. Some of the parents of girl students are requesting to provide bus facility.

On Alumni feedback:

As per the feedback collected from the alumni on the aspects like curriculum, electives, evaluation, applicability, job skills, etc., more than 80% of the alumni gave responses as very good and good. Some of them expressed that much more focus to be given on employability skills and campus placement drives.

On Employer feedback:

As per the feedback collected from the employer on curriculum, more than 80% of them has given overall positive response, but suggested to make the students industry ready.

Feedback Analysis of Stakeholders 2017-18

A total of 100 Students, Alumni and Parents are given different questionnaires and feedback is taken from them.

1. **STUDENTS:** Regarding class rooms and infrastructure, 78% of the students expressed those facilities are good. Regarding NSS and NCC 65% of the students expressed that they are good. Regarding completion of syllabus, interest generated by the Faculty, depth and content of the subject and different teaching methods used, majority of the students felt that they are very good.

In case of Curricular, extracurricular activities in the College and regarding Sports/Games facilities, majority of the students expressed that they are good. All the students opined that the Library and learning resources in the college are very good.

2. **PARENTS:** Most of the parents belong to the Agriculture sector and only a few are self employed. Majority of the parents expressed that the Courses offered and facilities in the College are useful to their wards. They also expressed good opinion about the Infrastructure facilities available in the Institution. They also expressed that implementation of reservations in the admissions is good. Regarding safety of Women students and implementation of anti ragging measures is good.

All the Parents felt that Government Scholarships and Poor boy's fund implemented good. All the parents expressed good opinion regarding transport, sanitation and drinking water facilities in the Institution. Majority of the parents felt that their ward's overall performance is good in the Institution during their period of study.

3. **ALUMNI:** Alumni who completed their Course of study in different academic years is approached for their opinion on various aspects of the Institution. 70% of the Alumni expressed that they attend the Alumni Association gathering randomly.

Majority of the Alumni admitted that their role in the development of the Institution is limited to advisory support only. They expressed that the College Administration listens to their suggestions. Majority felt that there is a good change in Infrastructural facilities over a period of time. All of them expressed that Library facilities for student development and progression into higher studies are good.

Action Taken Report – 2017-18

1. In response to the feedback by the stakeholders to improve the employability skills of students various skill training programs were organized.
2. Career guidance programs, communication skills, developmental activities such as leadership training programs were organized at college level.
3. Communication and soft skills paper I, II, III are introduced as foundation courses to improve the communication skills of the students.
4. Peer teaching is made compulsory to make the students confident of communication skills and to equip teaching skills among the students.
5. GST paper is introduced in V semester on the basis of market demand and economic need to enhance employability skills.

Students are made to read books to improve reading skills so as to imbibe research bent of mind.

Feedback Analysis of Stakeholders 2016-17

FEED BACK ANALYSIS

A total of 100 Students, Alumni and Parents are given different questionnaires and feedback is taken from them.

1. STUDENTS:

75% of the students expressed those facilities regarding class rooms and infrastructure is good. Regarding NSS and NCC 60% of the students expressed that they are good. Regarding completion of syllabus, interest generated by the Faculty, depth and content of the subject and different teaching methods used, majority of the students felt that they are very good. In case of Curricular, extracurricular activities in the College and regarding Sports/Games facilities, majority of the students expressed that they are good. All the students opined that the Library and learning resources in the college are very good.

2. PARENTS:

Most of the parents belong to the Agriculture sector and only a few are self employed. Majority of the parents expressed that the Courses offered and facilities in the College are useful their wards. They also expressed good opinion about the Infrastructure facilities available in the Institution. They also expressed that implementation of reservations in the admissions is good. Regarding safety of Women students and implementation of anti ragging measures is good. All the Parents felt that Government Scholarships and Poor boy's fund implemented good. All the parents expressed good opinion regarding transport, sanitation and drinking water facilities in the Institution. Lastly, majority of the parents felt that their ward's overall performance is good in the Institution during their period of study.

3. ALUMNI:

A cross section of Alumni who completed their Course of study in different academic years is approached for their opinion on various aspects of the Institution.

80% of the Alumni expressed that they attend the Alumni Association gathering randomly. Majority of the Alumni admitted that their role in the development of the Institution is limited to advisory support only. They expressed that the College Administration listens to their suggestions. Majority felt that there is a good change in Infrastructural facilities over a period of time. All of them expressed that Library facilities for student development and progression into higher studies are good. Alumni expressed good opinion regarding Gymnasium. Date 14/7/21

We have been consulting the Dept of Commerce, GDC, NAC for our financial prospects. The Dept has been encouraging us to maintain a regulated Accounting system of our business transactions and for preparation of closing Balances. With their non monetary services we are grateful to the faculty members of the Dept. It is our privilege to provide employment opportunities, if any, to the students of Commerce of The College.

TO WHOM SO EVER IN MAY CONCERN

I am happy to note that the members of faculty in the Commerce Department of Govt. Degree College, Nagari have good rapport and linkage with the Industrial units in the region. The students of B-com course of this college are actively participating in industrial tours and I am glad to inform that they have been visiting our Unit every year.

I am pleased to put on record that the enthusiasm and interest of the students of this college in learning new things is appreciable. The behaviour and conduct of the students during their visit to our industrial unit has been exemplary and highly commendable.

I wish the principal and the members of faculty of the college all the success in all their endeavours to educate and train the students so as to suit for different needs of industrial units.
